

Still have Film? We Can Help...

THE **PHOTO EXPRESS** FILM AMNESTY SALE

Have a junk drawer filled with old film? Don't want to break the bank developing it? With the PhotoExpress Film Amnesty Sale —you don't have to! Bring in your undeveloped rolls of film during the month of January and enjoy steep discounts on film development, prints, and photo CDs! *For the best discounts, a 5 roll minimum is required.*

Discounts are also available on negative and print scanning, reprints, and film enlargements. See the chart below for full pricing details.

PLEASE NOTE: Turnaround times for scanning & development sale items may vary based on current volume. *Orders with specific deadlines do not qualify for sale pricing.*

*Film development discount pricing includes color 35mm & APS film only. Excludes black & white, slide, and other non C41 process film. Please note, not all older film can be properly developed. Clarity and color of film can be affected by time & heat, resulting in lower quality photos. Sale prices valid through January 31, 2012. Larger orders may take 2—3 weeks for processing.
